Activities and opportunities to help you gain friendships, grow independence and be included in your community!

New Team Members, New OPEN Registration Activities

Between March and June of this year, we experienced the departure of 3 community connections facilitators, which required us to pause on general activities while we worked to hire new employees.

We are excited to share that we have 2 new community connections facilitators starting in late August/early September, and with that we are getting some activities back on the calendar! It will take us a little time as we get our new teammates through their trainings and introduce them to everyone and everything we have going on, but we are eager to get back out there helping everyone make friends, grow their independence and be included in all of the things they want to experience in life. We appreciate your patience as we work through this transition, and we look forward to seeing you soon.

In addition to our new team members, we hope you will enjoy the new structure to most of our in-house activities. Based on feedback gathered at several Meet & Greet sessions, we have opted to make these activities not only FREE, but also OPEN registration, which means you do not need to register to attend. Simply come as your schedule allows. We plan to run events this way as long as group sizes remain manageable. We look forward to seeing you!

*Based on feedback, we are trying a more flexible
approach to registration.*

- You will receive a call or email once your activities are confirmed.

How to Register for Community Connections Activities:

- 1** Contact us at email cc@riversidedd.org (PREFERRED) or 937-440-3014 and leave a message. Only contact once. Do not email AND call as it slows down our processing time.
 - 2** Wait for an email or call confirming your activities.
- You **MUST** all to cancel if you cannot make it to a "Bring Payment," limited registration activity that you are confirmed to attend.
 - We often have a waiting list for events and activities. Too many no-call/no-show activities risks your ability to register for future events.
