A Note About Supervision Levels In Our Activities

To ensure that everyone can fully participate and benefit from Community Connections activities, it's important to note that participants need to be able to complete certain tasks independently. This may include being alone in the community for brief periods of time (i.e. staff need to assist someone else with finding the restroom or making a purchase at concessions), following instructions, managing personal funds and belongings, interacting with others, seeking help when needed, using the restroom, navigating through public spaces, purchasing items with minimal assistance in the community, and ordering and eating food at local businesses. If the participant requires additional support with these tasks, please have a caregiver or provider accompany them. This will help ensure they have the best experience possible. Community activities typically take place with a ratio of 1 staff to 4 people served. Activities taking place at MCBDD may have a ratio of 1 staff to 15 people served. If you have any questions or need further clarification, please contact Patrick Kilbane.

How to Register for Activities:

1 - Contact us at

cc@miamicountydd.org (PREFERRED)
or 937-440-3014 and leave a message.
Only contact once. Do not email AND
call as it slows down our processing
time.

2 - Wait for an email or call confirming your activities.

You MUST call to cancel if you cannot
make it to a "Bring Payment," limited
registration activity that you are
confirmed to attend. We often have a
waiting list for events and activities.
Too many no-call/no-show activities
risks your ability to register for future
events.
