

THE FANS REPORT

A monthly update on our FANS and current volunteer opportunities.

Greetings, Riverside FANS!

We hope you've enjoyed our Silver Linings series on Facebook. It's great to see how folks are finding creative ways to stay connected and positive, and we hope to continue to spread the positivity.

If you have a silver lining you'd like us to share, let us know! Whether it's having more time at home with your family or learning a new skill, the more positivity we can share, the better.

In case you missed the Silver Linings we've shared so far, make sure to visit our [Facebook page](#) and check them out. Trust us, you won't be disappointed! We've also shared fun activity ideas, including ways to keep your kids off their screens this summer.

Our Community Connections team has also been busy creating fun videos to help the people we serve stay engaged. From dog grooming tips to nature walks through Miami County's many beautiful parks, there's a video for everyone!

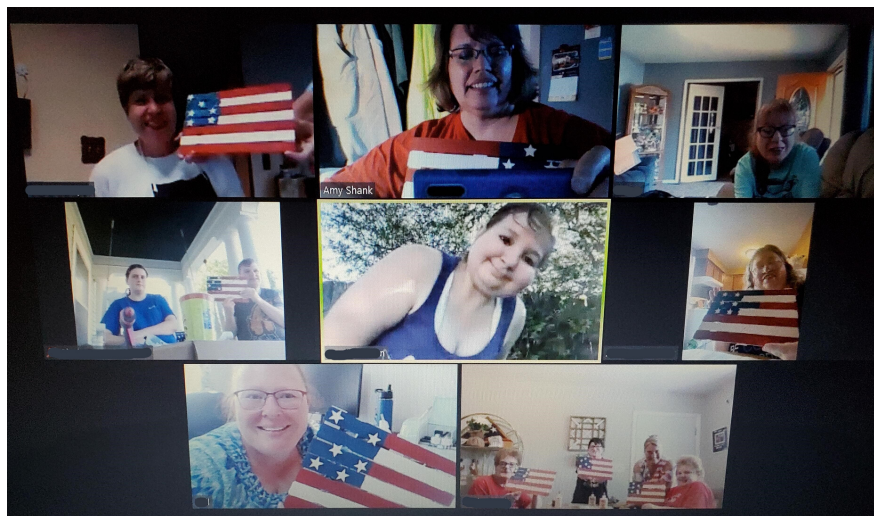

Check out the videos for yourself by visiting our [YouTube page](#) or the Videos page on our website at www.riversidedd.org/videos.

In the meantime, we encourage all of you to join us for our virtual activities and connect with the people we serve, like **FAN Chrissi Douglas** did for our June That's Sew Crafty activity (pictured below).

Here are a list of our Community Connections activities:
