

THE FANS REPORT

A monthly update on our FANS and current volunteer opportunities.

Greetings, Riverside FANS!

Well, here we are, another month at home has come and gone. On the bright side, it looks like warmer, sunnier days are here to stay, so we can at least get out and enjoy the sunshine.

Focusing on the silver lining is something we've been trying to do lately with the people we serve as many of them are ready to get out and see their friends. So to encourage some positivity, we started a new series on Facebook titled, "Silver Linings."

For the series, we asked those we serve to share something positive that's happened during the stay-at-home order. Our folks had some great answers, so make sure to visit our [Facebook page](#) and check them out.

We'd also like to hear about your silver linings and include them in the series. Just email your response and a picture of yourself to brittany.ulman@riversidedd.org. We can't wait to hear from you!

As a way to get you thinking about your silver lining, we thought we'd share a few from some of our FANS:

- **Haylee Bridge and Victoria Glover** were named Troy High School Student Body President and Vice President for the 2021-22 school year. Congrats, girls, we're so proud of you! (Pictured below, left and center)
- **Jackson Goodall** was named Troy High School's Valedictorian. Congratulations, Jackson! We wish you the best of luck at Ohio State. (Pictured below, right)
- **Ashley Thoreen** is working with our Early Intervention (EI) Team to offer virtual parent support meetings, starting June 11 at 6:30 pm. Interested? See the attached flyer or visit the Events section on our [Facebook page](#). You can also email Ashley at thoreena@piqua.org.
- **Stacy Warner and family** for creating homemade thank you cards for Miami County Direct Support Professionals (DSPs). Thank you for helping us recognize our local DSPs! Your cards brightened their days.
